Post-Secondary Education Scholarship

The Grande Prairie and District Oldtimers' Association is designated to be a social organization established to: collect materials illustrative of the history of the Grande Prairie district; to preserve the memory of our early pioneers by preserving narratives of their experiences; to promote the study of the history of the Grande Prairie district; to provide information to all concerned or interested in this area.

Membership in this Association is limited to men or women who settled or resided in the Grande Prairie district on or before March 5, 1916. This membership is extended to the descendants of these pioneers.

This association recognizes the value of education and wishes to reinvest their interest and resources in this great region of ours by providing the opportunity and assistance to students to attend a post-secondary educational institution. The Grande Prairie and District Oldtimers' Association has established a cash scholarship that will be available to the direct descendants of the pioneers that settled in this area. In this small way we can repay the courage, energy, and enterprise of these heroes from the past.
